This is in memory of Bobby Fetterer, who came to a tragic death on July 2, 1976 by drowning in a lake in Edwardsville.

Bobby, who was active in wrestling and other school activities, was born on November 16, 1960, in Belleville, Illinois.

He is deeply missed by many friends, family, and fellow students at Triad.

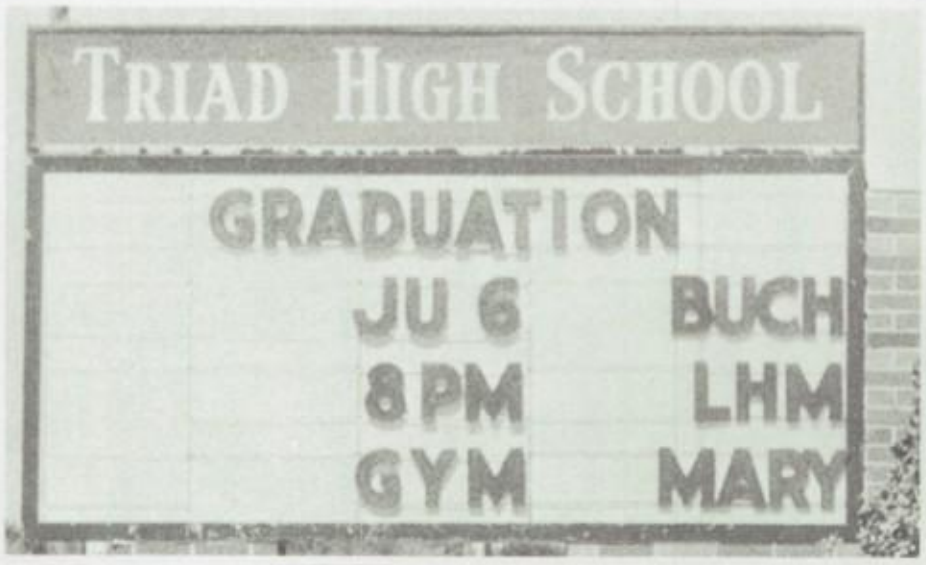
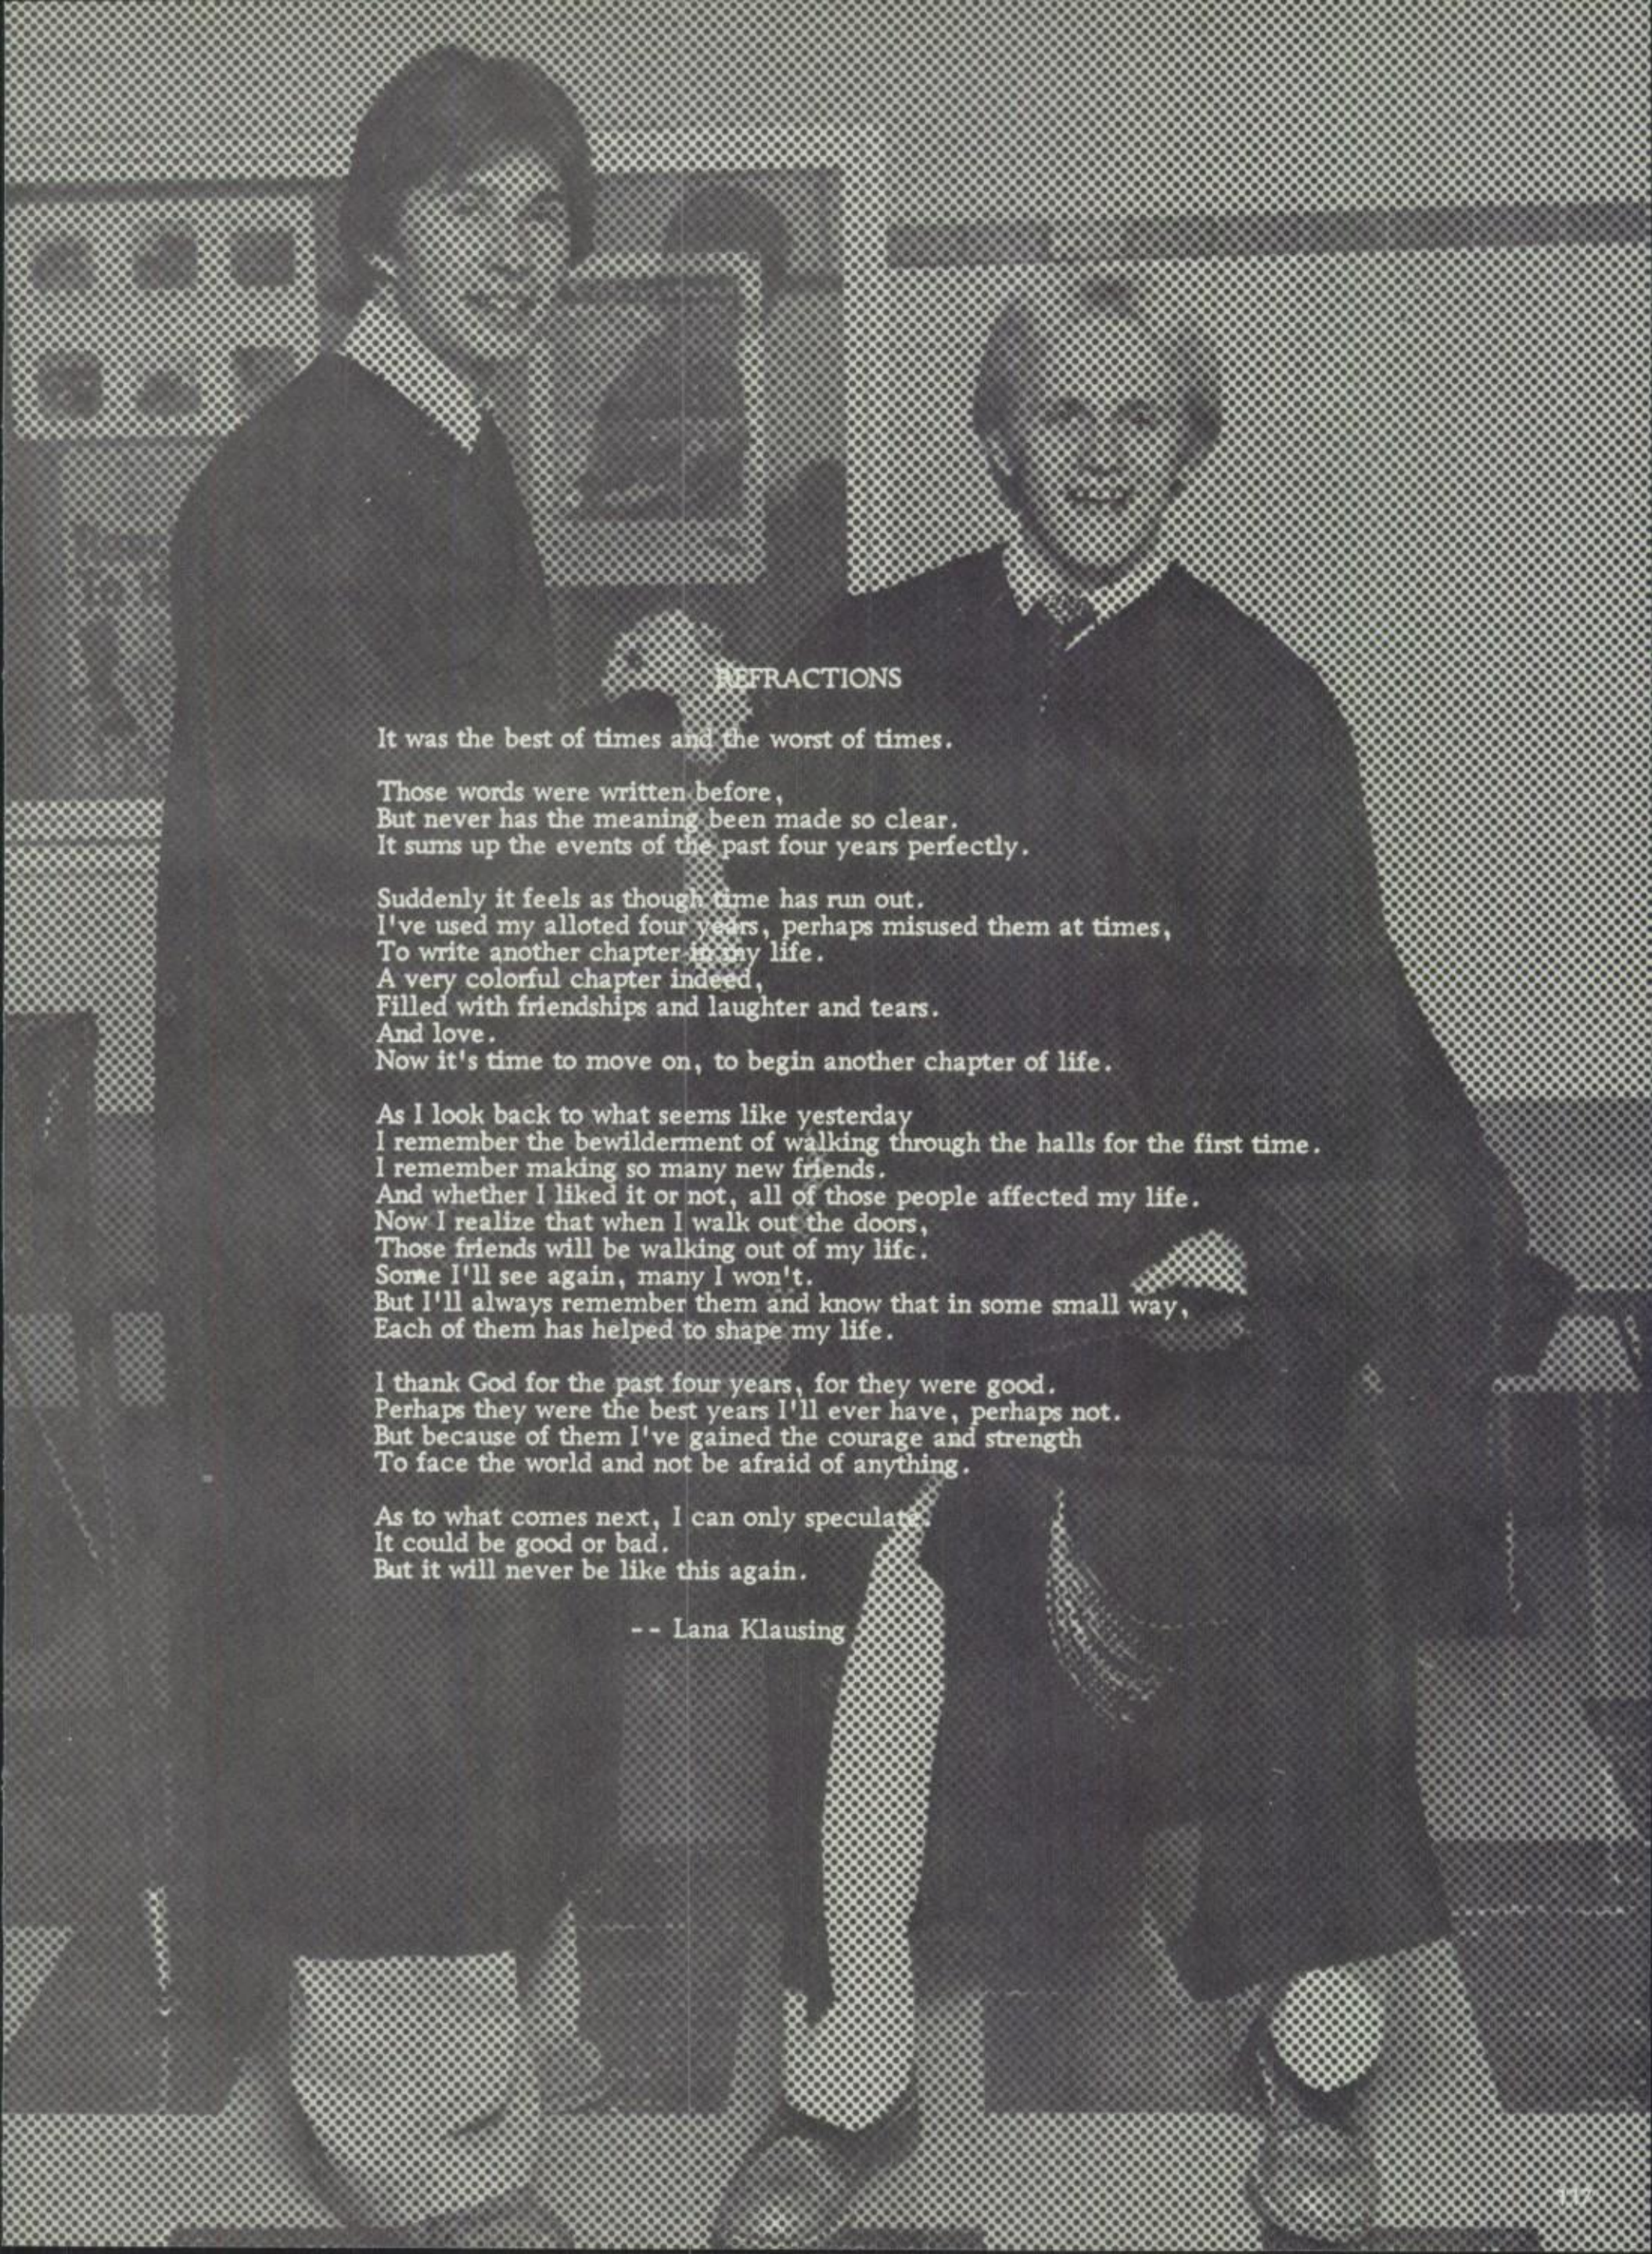
Farewell To The Class Of '77





REFRACTIONS

It was the best of times and the worst of times.

Those words were written before,
But never has the meaning been made so clear.
It sums up the events of the past four years perfectly.

Suddenly it feels as though time has run out.
I've used my alloted four years, perhaps misused them at times,
To write another chapter in my life.
A very colorful chapter indeed,
Filled with friendships and laughter and tears.
And love.
Now it's time to move on, to begin another chapter of life.

As I look back to what seems like yesterday
I remember the bewilderment of walking through the halls for the first time.
I remember making so many new friends.
And whether I liked it or not, all of those people affected my life.
Now I realize that when I walk out the doors,
Those friends will be walking out of my life.
Some I'll see again, many I won't.
But I'll always remember them and know that in some small way,
Each of them has helped to shape my life.

I thank God for the past four years, for they were good.
Perhaps they were the best years I'll ever have, perhaps not.
But because of them I've gained the courage and strength
To face the world and not be afraid of anything.

As to what comes next, I can only speculate.
It could be good or bad.
But it will never be like this again.
